*These figures are indicative only, and some variation should be expected, due to fabric stretch and production tolerances.

1. The majority of new secondary starters buy a size 34 inch chest, which is like a 12-13 years
2. You can compare the above measurements to a jumper or sweatshirt which fits your child comfortably
3. The jumpers and tank tops tend to be a normal fit
4. Most people go up one size from their selected blazer size
