Notes

*Please note these are garment measurements - NOT body measurements.

*These figures are indicative only, and some variation should be expected, due to tolerances.

This is how we measure:

Measuring Guide

Chest (At 2cm from under arm)

Measure around the fullest part of the chest, making sure that the tape is 2cm from under the arms with the blazer laid down flat.

Waist

Measure across the waist at the narrowest point with the blazer laid down flat.

Sleeve Length

Measure from the top of the sleeve down to the cuff on the outside of the sleeve, ensuring the garment is laid flat.
