1. Our sweatshirts are a generous / wide fitting.
2. These measurements are the actual garment measurements so you can compare these to the size of a sweatshirt which fits your child nicely.
3. If you are using your child's skin measurements then remember to add about 3 or 4 inches for comfort and space to move, to get the right size.
4. **By way of guide, our best selling sizes for Middle School New Starters are 13 years and Small.**
5. Go up or down a size if your child seems smaller or larger than the average in the year group.
6. If you wish to buy multiple sizes to try on, returns are free and we will refund any unwanted sizes.
